From the black cat roundabout take the turning towards Roxton and Roxton garden centre, after about 150 meters take the turning on your right hand side sign posted to Colmworth, there is also a large sign for beaver sheds on the junction of this road. Follow this road for 4 miles then on your right hand side you will see a low brick wall with a driveway, turn up this small road and follow it as it goes around behind the reclamation yard where you will find Millcott swimming pool.
