

Directions To Gildenburgh Water

Follow the A1 north until you reach junction 17, just south of Peterborough, take this junction and follow the road round past the services and on to a dual carriage way, A1139. Follow this road until the forth exit which is sign posted “Whittlesey”. Take this exit and then take the last exit of the road about and under the bridge. This is also sign posted Whittlesey, follow this road to the next round about and take the first exit. At the next round about go straight over and stay on this road until the next round about where you will need to turn right. Stay on this road, the A605 all the way through Whittlesey. Just has you are about to leave Whittlesey there is a bend to the left in the road. On the right side of this bend is a turning and a sign post to Gildenburgh water and Alamo paintball. Take this turning and you are at the dive site.

When you book in remember to say you are with underwater adventures.
